

We Have Overcome

Words and music by Charlie Cooper Jr

Verse

There's a dream we hold
deep within our souls
a dream foretold
that someday we all will live
in peace and harmony

Holy vision we believe
that someday will achieve
all the dreams we can conceive
and justice will flow down like
Rivers to the sea, for you and me

Chorus

And the time has come
we will live as one
left every heart and saying
let our voices ring
that we have overcome
that we have overcome

Verse

With the promise of tomorrow
We'll wipe away all sorrow
No more war and poverty
We'll share the dream
Around the world
To all humanity, let freedom ring
