Lord free my Soul

Non but the righteous (3x's)

Shall see God

There's power in the water (waduh) (3x's)

Cause my soul is free

Into Wade in the Water (waduh)(3x's)

God's gonna trouble the waduh

Verse: Who's that man all dressed in white
Well, he looks like the leader of the Israelites

Who are those people, all dressed in red
Well, the look like the people that Moses lead

If you don't believe, I've been redeemed
Well just follow me down to the Jordan Stream

Hold on, just a lil' while longer (3x's)
