1. Peace, be still. Peace, be still. Lo, I'm with you al - ways  
 2. God is life. God is love. There's none else be - side Him;  
 3. All is well, all is well. God is with us al - ways;

All - sus - tain - ing, ev - er - car - ing, all - a - bid - ing life and love.  
 All - in - dwell - ing, man - i - fest - ing all ac - cord - ing to His law.  
 God the Fa - ther and Moth - er is all - sus - tain - ing love.

Peace, be still. Peace, be still in the pres - ence of God;  
 God is mind. God is power. All is at His com - mand.  
 We are one, we are one in the pres - ence of God.

He will guide and pro - tect. Rest in God's arms of love.  
 Peace, be still. Peace, be still. Know with - in all is well.  
 We are one in His love, know - ing all is well.
