New ho - ri-zons out be-fore our view,

Reach - ing for-ward, claim-ing all things new. We've

caught the loft-y vi-sion of God's pres-ence ev-ery - where. We

turn our backs on past mis-takes and find re-lease through prayer.

New ho - ri-zons in our state of mind;

Reach - ing for-ward to good we're sure to find. We

sing with joy this mel - o - dy of Truth that makes us

free: New ho - ri - zons in U - ni - ty!
