

I Told the Storm (as performed by Greg O'Quin 'N Joyful Noize)

Chorus

I told the storm (told the storm, storm, stor, oh yes I did)
To pass (ohh ohhhh)
Storm you can't last (you've got to go, yeah)
Go (go away) away (I command)
I command you to move today (you to move, ohh yeah)
Storm (oh storm yeah)
When God speaks (when my God speaks)
Storm (you don't have a choice in the matter)
You have to cease (you have to cease, yes that's...)
That's what I told the storm (what I told the storm)

I told the storm (oh I told the storm)
To pass (you, you, you, you, you, you, you, you can't last)
Storm you can't last (oh storm)
Go (I said I won't be defeated) away (you've got to go)
I command you to move today (you've got to go, ohh oh, oh storm)
Storm (when my, my, my, my, my)
When God speaks (my, my, my God speaks)
Storm (you have to cease)
You have to cease (oh and that's)
That's what I told the storm (what I told the storm, oh yes I did)

Bridge

No weapons formed against me shall prosper
I don't have to worry about a thing
(I told the storm)
I'm more than a conqueror through Jesus Christ
And he's gon, bring me out alright, yes He is
(I told the storm)
It's amazing grace that's brought me safe thus far
And grace is gonna lead me home
(I told the storm)
I stood on solid ground and told my storm
And you need to tell your storm today

Vamp

Winds stop blowing
(Flood stop flowing) Flood stop flowing
(Lightening stops flashing) Lightening stops flashing
(Breakers stop dashing) Breakers stop dashing
(Darkness go away) Darkness go away
(Clouds move away) Clouds move away
(That's what I told) That's what I told the storm

Death can't shake me
(Job can't make me) Job can't make me
(No matter how the fares of this world)
Bills can't break me (may seem to weigh me down)
Disease can't take me
(No) You can't drown me (He's gon' stand by my side)

I Told the Storm (as performed by Greg O'Quin 'N Joyful Noize)

My God surrounds me (no matter, no matter, no matter what)
That's what I told the storm

Death can't shake me
(Job can't make me) Job can't make me
(Bills can't break me) Bills can't break me
(No matter how hard you try) Disease can't take me
(You won't receive me) You can't drown me
(You won't see me) My God surrounds me
(That's what I told) That's what I told the storm

That's what I told the storm
Somebody out there is going through some trials
But you need to stand up and stand on the word of God
