

Believe In Yourself

By Chet Chwalik

You have a dream, it's in your heart
You don't know just where to start
The journey awaits, once you decide
To take the first step, it's all inside

You might feel you're in the dark
But you can find your inner spark
Now is the time, to make your move
Now is the time, to find your groove

Believe In Yourself, believe in yourself
When the going gets tough, and you've had enough
Believe In Yourself, believe in yourself
Don't you give in, you know you can win, believe.

Once you have doubt, gotta let it go
You had a dream, now let it show
Let your light shine, it's all up to you
You have a dream, gotta see it through

Believe In Yourself, believe in yourself
When the going gets tough, and you've had enough
Believe In Yourself, believe in yourself
Don't you give in, you know you can win, believe.

Love harmonizes, it unifies, it magnetizes you to your dream
Gotta have the faith, gotta do the work, you can do it
Believe.

[Instrumental]

Believe In Yourself, believe in yourself
When the going gets tough, and you've had enough
Believe In Yourself, believe in yourself
Don't you give in, you know you can win, believe.

Believe In Yourself, believe in yourself
When the going gets tough, and you've had enough
Believe In Yourself, believe in yourself
Don't you give in, you know you can win, believe.
Believe, oh, believe.
