

# The Twelve Powers Song

By Rev. Charles Cooper

2X

I have power that can move every mountain  
I have power that can calm the sea  
Jesus said it, and I'll never doubt it  
I have power, power to believe

2X

I have supernatural powers  
Going through the twelve powers  
Manifesting every hour  
I have supernatural powers

2X

Faith, Strength, Love and Power  
Imagination, Understanding, Wisdom and Will  
Order, Zeal, Renunciation and Life  
I have super, supernatural powers

2X

I can do the impossible  
I can see the invisible  
Standing tall I'm invincible  
I have supernatural powers

Faith, Strength, Love and Power  
Imagination, Understanding, Wisdom and Will  
Order, Zeal, Renunciation and Life  
I have super, supernatural

3X

I can do the impossible  
I can see the invisible  
Standing tall I'm invincible  
I have supernatural powers

I have supernatural powers  
I have supernatural powers  
I have supernatural powers  
I have supernatural powers

Faith, Strength, Love and Power  
Imagination, Understanding, Wisdom and Will  
Order, Zeal, Renunciation and Life  
I have super, supernatural powers

I have super, supernatural powers  
I have super, supernatural powers  
I have super, supernatural powers
