

Love (The Love Song) By Rickie Byars

Love, be encouraged, Love, will see you through
Love, will be the first to, Love, feel your heartbeat
Love, be about it; Love, sing a song a song about
Love, never doubt that; Love, inspirational
Love, it's our shelter, Love, now and always
Love, for and after, Love, Love.

Love, gives you courage, Love, fills your heart
Love, it's the best thing, Love, you can't go wrong with it
Love, 'cause it's eternal; Love, and it has no end
Love, so stand on up for; Love, full dimensional
Love, it's our shelter, Love, now and always
Love, for and after, Love, Love.

Love, gives you courage, Love, fills your heart
Love, it's the best thing, Love, you can't go wrong with it
Love, 'cause it's eternal; Love, and it has no end
Love, so stand on up for; Love, unconditional
Love, it's our shelter, Love, now and always
Love, for and after, Love, Love.
